

**EDUCATORS / ADMINISTRATORS
 AGENCY EVALUATION BY STUDENT**

Name/Type of Agency _____

| Evaluation Criteria | Disagree | Unsure | Agree |
|--|-----------------|---------------|--------------|
| 1. Provided experience in applying advanced role (teaching or administration). | | | |
| 2. Provided experience in using therapeutic communication in establishing a relationship with students, faculty, and/or agency staff. | | | |
| 3. Provided experience in establishing open communication with other members of health care team. | | | |
| 4. Fostered student leadership skills in practice setting. | | | |
| 5. Provided an opportunity to apply role theory in practice setting. | | | |
| 6. Provided an opportunity to apply teaching learning/administration process in role setting. | | | |
| 7. Provided role models in an practice setting. | | | |
| 8. The organization was suitable for experiences in the practicum. | | | |
| 9. The preceptor provided appropriate supervision, guidance, and feedback. | | | |
| 10. I would recommend this preceptor for other graduate nursing students. | | | |
| Questions 11 through 13 are related to clinical faculty and should be answered only by students in the educator or administrative practicum. | | | |
| 11. The clinical faculty evaluated student's clinical competence based on course objectives. | | | |
| 12. The clinical faculty met with the student for at least two clinical conferences to discuss progress. | | | |
| 13. I would recommend this clinical faculty for other students | | | |

If you respond "unsure" or "disagree" to any of the above statements, we would appreciate information on the reason for these responses. Thank you.
