

**BSU School of Nursing  
NP / CNS  
AGENCY EVALUATION BY STUDENT**

Student Name: \_\_\_\_\_ Course # / Semester: \_\_\_\_\_

Name / Type of Agency: \_\_\_\_\_

<b>Evaluation Criteria</b>	<b>Disagree</b>	<b>Unsure</b>	<b>Agree</b>
1. The agency provided experience in appropriate skills for my role.			
2. The agency provided the opportunity for open communication with other members of the health care team.			
3. The agency fostered student leadership skills in advanced practice nursing.			
4. The agency provided role models in an advanced practice role setting.			
5. The clinical preceptor provided appropriate supervision and feedback.			
6. I would recommend this clinical preceptor for other graduate nursing students.			
Questions 7 through 9 are related to clinical faculty and should be answered only by students in NUR 634, 680, 682, 684, and 672.			
7. The clinical faculty evaluated the student's clinical competence based on course and clinical objectives.			
8. The clinical faculty met with the student for at least two clinical conferences to discuss progress.			
9. I would recommend this clinical faculty for other nurse practitioner / clinical nurse specialist students			

**If you have responded "unsure" or "disagree" to any of the above statements, we would appreciate information on the reason for these responses. Thank you.**
